Dear David,

This Tuesday’s Oakland City Council meeting will be one for the books. The Council is poised to give final approval to the ordinance banning coal exports through Oakland. This is our chance to close the books on a major threat to Oakland’s communities and the environment. Will you join us and help ensure the City Council follows through on its promise to block coal?

Here are the details:

**WHEN:** This Tuesday, July 19th, 4:30 pm (for a 5 pm meeting)

**WHERE:** City Council Chambers, Third Floor, Oakland City Hall (map)

**RSVP:** Click here to let us know you can make it!

Tuesday’s council meeting will also take up several other issues of critical importance to the health and well-being of Oakland residents, including affordable housing and displacement, police reform, refinery emissions, and the AIDS epidemic. **As we stand together against coal on Tuesday, we also have an opportunity to stand with our allies who are working for a safe, equitable, and just Oakland.**

All people deserve a healthy planet with clean air and water, a stable climate, and safe communities. Be there on Tuesday to witness as Oakland closes the door on dirty coal -- for good. RSVP here.

Sincerely,

Brittany King
Conservation Coordinator
